Articulated

High School Articulation is an alignment of selected high school courses to CCC curriculum. Articulated courses give juniors and seniors the opportunity to earn high school and college credit at the same time. These courses are known as dual credit courses.

There is no cost for articulated courses. In order to receive the college credit, the student must earn an A or B in the articulated course.

College credit earned will be recorded on the student's CCC transcript at the end of the school year.

Articulated agreements will remain in place through Spring Semester 2017 unless otherwise noted in parentheses by the high school course name listed below.

Articulated Courses

Ord Courses	CCC Courses (Credit)	
Accounting I	ACCT 1100	Small Business Accounting (3)
Ag Business	AGRI ELEC	AGRI Program Elective (2)
Ag Marketing	AGRI ELEC	AGRI Program Elective (2)
Natural Resources/Wildlife Mgt.	AGRI ELEC	AGRI Program Elective (2)
Range & Soil Science	AGRI ELEC	AGRI Program Elective (2)
Power Mechanics	AUTO 1000	Basic Shop Practices (2)
Entrepreneurship	ENTR 1050	Introduction to Entrepreneurship (3)
Medical Terminology	HLTH 1030	Basic Medical Terms (2)
Ag Project Construction	WELD ELEC	WELD Program Elective (3)

Career Pathways

Career Pathway courses allow juniors and seniors the opportunity to take college courses while still in high school. Students who complete the course will earn high school and college credit. These courses are known as dual credit courses.

Students may take a sequence of college courses while in high school which could lead to a CCC certificate upon completion.

CCC tuition applies to Career Pathway courses. Tuition assistance may be available, check with your school counselor.

Career Pathway courses currently available at your school are listed below.

Career Pathway Courses

At this time Ord does not participate in any Career Pathway courses. Ask your school counselor if any of these Career Pathways could be offered at your school.

- Advanced Manufacturing Design Technology
- Agriculture Sciences
- Automotive Technology
- Business, Marketing, and Management
- Construction Technology
- Drafting and Design Technology
- Health Sciences
- Information Technology
- Mechatronics
- Media Arts
- Welding Technology

Revised 11-23-15

General Education

General Education courses allow juniors and seniors the opportunity to take college courses while still in high school. Students will earn high school and college credit at the same time. These courses are known as dual credit courses.

CCC tuition applies to General Education courses. Tuition assistance may be available, check with your school counselor.

General Education courses currently available at your school are listed below. Additional college courses may also be taken through Central Community College.

Ord allows seniors time during the day to take on-line General Education classes. The class on the high school transcript is listed as College Study.

General Education Courses

Ord Courses	CCC Courses (Credit)
Economics	ECON 2110 Principles of Macroeconomics (3)
Economics	ECON 2120 Principles of Microeconomics (3)
Calculus	MATH 1600 Analytical Geometry & Calculus I (5)

College classes are taught on-line, televised, lecture, lab, or face to face instruction either in the high school or at our campuses and centers.

Students are required to meet college admission requirements by taking the ACT, ASSET, or COMPASS test. Check with your guidance counselor for current minimum acceptance scores.

Transferability of Early College courses are determined by the receiving institution. Central Community College transcripts can be sent to any college upon the student's request.

Create an Account

Before enrolling in Early College courses, students will first need to complete an online profile. You can do so by going to www.cccneb.edu/Apply. Select 'Create Account' to get started.

Early College Registration Form

Students will need to complete an 'Early College Registration' form before enrolling in any General Education or Career Pathway courses. These applications will be provided by CCC's Extended Learning Services offices or by your school counselor.
