

# Central Community College offering Kearney High School Early College Opportunities

*If you are a high school junior or senior and at least 16 years old, you can earn college credit now through CCC's Early College course offerings*

Kelly Christensen  
Dean of Training and Kearney Administrator  
308-338-4002

Jamey Peterson-Jones  
Early College Director  
308-398-7581

## Career Pathways

Career Pathway courses allow juniors and seniors the opportunity to take college courses while still in high school. Students who complete the course will earn high school and college credit. These courses are known as dual credit courses.

Students may take a sequence of college courses while in high school, which could lead to a CCC certificate upon completion.

CCC tuition applies to Career Pathway courses. Tuition assistance may be available, check with your school counselor.

Listed below are Career Pathway courses currently available at your school. Certain pathways may change due to course curriculum updates.

## General Education

General Education courses allow juniors and seniors the opportunity to take college courses while still in high school. Students will earn high school and college credit at the same time. These courses are known as dual credit courses.

CCC tuition applies to General Education courses. Tuition assistance may be available, check with your school counselor.

Listed below are General Education courses currently available at your school.

### General Education Courses

At this time, Kearney does not participate in on-site CCC General Education courses. However, students may choose from a wide variety of online courses at CCC working toward a degree or for transfer to another college.

College classes are taught on-line, televised, lecture, lab, or face-to-face instruction either in the high school or at our campuses and centers.

Students are required to take a pre-enrollment assessment of Accuplacer or ACT. Check with your guidance counselor for current minimum acceptance scores.

Transferability of Early College courses are determined by the receiving institution. Central Community College transcripts can be sent to any college upon the student's request.

### Create an Account

Before enrolling in Early College courses, students will first need to complete an online profile. You can do so by going to [www.cccneb.edu/Apply](http://www.cccneb.edu/Apply). Select 'Create Account' to get started.

### Early College Registration Form

Students will need to complete an 'Early College Registration' form before enrolling in any General Education or Career Pathway courses. These applications will be provided by CCC's Extended Learning Services offices or by your school counselor.
