Jamey Peterson-Jones
Early College Director
308-398-7581

If you are a high school junior or senior and at least 16 years old, you can earn college credit now through CCC's Early College course offerings

Articulated

High School Articulation is an alignment of selected high school courses to CCC curriculum. Articulated courses give juniors and seniors the opportunity to earn high school and college credit at the same time. These courses are known as dual credit courses.

There is no cost for articulated courses. In order to receive the college credit, the student must earn an A or B in the articulated course.

College credit earned will be recorded on the student's CCC transcript at the end of the school year.

Articulated agreements will remain in place through Spring Semester 2017 unless otherwise noted in parentheses by the high school course name listed below.

Articulated Courses

Hastings Courses	CCC Courses (Credit)
Accounting I	ACCT 1100 Small Business Accounting (3)
Marketing	BSAD ELEC BSAD Program Elective (3)

Advanced Nutrition and Wellness	HMRM ELEC HMRM Program Elective (2)
Advanced Painting	MART ELEC MART Program Elective (3)
Commercial Art I & II	MART ELEC MART Program Elective (3)

General Education

General Education courses allow juniors and seniors the opportunity to take college courses while still in high school. Students will earn high school and college credit at the same time. These courses are known as dual credit courses.

CCC tuition applies to General Education courses. Tuition assistance may be available, check with your school counselor.

General Education courses currently available at your school are listed below. Additional college courses may also be taken through Central Community College.

General Education Courses

Hastings Courses	CCC Courses (Credit)
Info Tech II	INFO 1120 Microcomputer Applications (3)
American Government	POLS 1000 American Government (3)
Communication Arts	SPCH 1110 Public Speaking (3)

Career Pathways

Career Pathway courses allow juniors and seniors the opportunity to take college courses while still in high school. Students who complete the course will earn high school and college credit. These courses are known as dual credit courses.

Students may take a sequence of college courses while in high school which could lead to a CCC certificate upon completion.

CCC tuition applies to Career Pathway courses. Tuition assistance may be available, check with your school counselor.

Career Pathway courses currently available at your school are listed below.
