## Articulated

High School Articulation is an alignment of selected high school courses to CCC curriculum. Articulated courses give juniors and seniors the opportunity to earn high school and college credit at the same time. These courses are known as dual credit courses.

There is no cost for articulated courses. In order to receive the college credit, the student must earn an A or B in the articulated course.

College credit earned will be recorded on the student's CCC transcript at the end of the school year.

Articulated agreements will remain in place through Spring Semester 2017 unless otherwise noted in parentheses by the high school course name listed below

## Create an Account

Before enrolling in Early College courses, students will first need to complete an online profile. You can do so by going to [www.cccneb.edu/Apply](http://www.cccneb.edu/Apply). Select 'Create Account' to get started.

## Early College Registration Form

Students will need to complete an 'Early College Registration' form before enrolling in any General Education or Career Pathway courses. These applications will be provided by CCC's Extended Learning Services offices or by your school counselor.

College classes are taught on-line, televised, lecture, lab, or face to face instruction either in the high school or at our campuses and centers.

Students are required to meet college admission requirements by taking the ACT, ASSET, or COMPASS test. Check with your guidance counselor for current minimum acceptance scores.

Transferability of Early College courses are determined by the receiving institution. Central Community College transcripts can be sent to any college upon the student's request.
