## Career Pathways

Career Pathway courses allow juniors and seniors the opportunity to take college courses while still in high school. Students who complete the course will earn high school and college credit. These courses are known as dual credit courses.

Students may take a sequence of college courses while in high school, which could lead to a CCC certificate upon completion.

CCC tuition applies to Career Pathway courses. Tuition assistance may be available, check with your school counselor.

Listed below are Career Pathway courses currently available at your school. Certain pathways may change due to course curriculum updates.
